The amendment filed on 03 July 2006 canceling all claims drawn to the originally presented invention and presenting only claims drawn to a different invention is non-responsive (MPEP § 821.03). The newly presented claims are not readable on the previously examined/searched invention because the originally claimed invention (i.e., original claims 1-19) was drawn to a product (a *Toonia sinensis* leaf extract) and a method of making the product, whereas new claims 20-43 are drawn to a method of use (i.e., a method of inhibiting the growth of ovarian and bladder cancer in vitro and in vivo) - which is distinct from the previous examined/searched invention set forth in original claims 1-19.

Since the above-mentioned amendment appears to be a bona fide attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
